

Buford Smith Excellence in Traffic Engineering Award Nomination Form

NOMINATION FORM GUIDELINES

- The submission must be complete with nomination form and required supporting documentation.
- Nominations must include this form and a narrative of no more than five double-spaced typewritten pages that outlines the outstanding service provided by the nominee in each of the six categories.
- All submitted entry forms and supporting materials become property of the Buford Smith Committee and will not be returned.
- Nominations that are not selected will not be held on file for consideration the next year. Nominators must re-submit nomination forms for reconsideration the following year(s).
- Nominations for consideration for the Buford Smith Excellence in Traffic Engineering Award for 2007 and 2008 closed Friday, July 11, 2008.

We are currently accepting nominations for Buford Smith Excellence in Traffic Engineering Award for 2009. These nominations will be accepted year-round, and a formal request for nominations will be sent out in the future..

All nominations must be emailed to: amymoore@ncdot.gov
